## Hospital Operations (Patient / Support Ops)

Get involved in projects that enhance our patients' experiences and experience healthcare from behind the scenes. Our team plays an integral role in collaborating with healthcare professionals to design the optimal delivery of clinical services to our patients and ensuring that the daily hospital operations run smoothly.

Examples of some departments include Clinic Operations, Emergency Planning and Hospitality and Environmental Services.

# Career Progression

Here at TTSH, we believe in developing our people.

There are several opportunities for you to develop to your fullest potential
