

4th Singapore Geriatric Nursing Conference 2023

Transforming Care for Older Adults with Frailty

17 February 2023 | Friday | 9.00am (GMT +8)

Virtual Conference

Guests of Honour

Ms Paulin Koh
Chief Nursing Officer
Ministry of Health

Dr Hoi Shu Yin
Executive Director
Centre for Asian Nursing Studies
Chief Nurse, Tan Tock Seng Hospital

Ms Png Gek Kheng
Advanced Practice Nurse
Chief Nurse
Changi General Hospital

Synopsis

Frailty is a major healthcare challenge in a rapidly ageing population. This conference, which is specially curated for nurses, seeks to address assessment, therapeutic management and prevention of frailty for older adults in acute hospitals and community settings.

The collaborative learning platform highlights best practices across institutions to enhance community of practice in geriatric nursing.

For Local Nurses

1 CPE point will be rewarded at the end of the Webinar
