

Diverse-city²⁰²³ SOCIAL WORK DAY

**15 March 2023,
Wednesday**

11am to 3pm | TTSH Atrium (Level 1)

Biological, psychological, social and spiritual factors impact a patient's health outcomes and quality of life.

Through the lens of our Medical Social Workers, join us in conceptualising the Biopsychosocial-spiritual (BPSS) model, a holistic approach to understanding the diverse needs of patients.
