NATIONAL HEALTHCARE GROUP
EYE INSTITUTE @ TTSH

SATURDAY, 27 APR 2024
10AM – 11AM

FLOATERS AND FLASHES

Have you been seeing
dark spots or flashes of
light in your vision?
Worried that you may be
experiencing symptoms of a
retinal condition?

Join us and our speaker,
Dr Sandy Zhou, as she shares on
the symptoms and causes of
these retinal conditions as well
as the available treatments.
