## **ABOUT TAN TOCK SENG HOSPITAL**

Established since 1844, Tan Tock Seng Hospital (TTSH) is one of Singapore's largest multi-disciplinary hospitals with more than 170 years of pioneering medical care and development. The hospital has a wide range of clinical subspecialties to meet our patients' diverse healthcare needs.

With a strong quality culture steeped in patient safety, TTSH constantly challenges itself to provide faster, better, cheaper and safer care for patients. To achieve this, the hospital keeps abreast and believes in investing in its staff, facilities, medical technology and system improvements.

## **ABOUT THE SPECIALIST DIRECTORY**

In Tan Tock Seng Hospital, we recognise the importance of building relationships and working with partners to deliver better care within the community. This directory is developed to facilitate patient referrals from General Practitioners and partners for specialist care.

## ABOUT PRIMARY CARE PARTNERS OFFICE (PCPO)

At Tan Tock Seng Hospital, we value the pivotal role General Practitioners (GPs) and Family Physicians play in providing quality primary healthcare in Singapore.

The Primary Care Partners Office (PCPO) at TTSH is committed to enhance partnership programmes and collaborations between GPs, family physicians and our specialists to deliver comprehensive medical care for our mutual patients.

As the coordinating liaison point, PCPO provides assistance in areas such as patient referral and continuing medical education training.

For more information, please visit the PCPO portal at <http://www.ttsh.com.sg/gp>

# 3 Steps for referring patients to TTSH

Here's a comprehensive chart listing the steps to refer non-subsidised patients and patients under the Community Health Assist Scheme (CHAS) to Tan Tock Seng Hospital (TTSH).

To ensure your patients are seen promptly at TTSH, triaging may be conducted by our staff. You may be required to fax referral letter and CHAS cover note to TTSH GP Appointment Hotline or Specialist Outpatient Clinics.

Please retain a copy of the documents for reference purposes.

## ABOUT PEARL

"PEARL" represents the legacy of Tan Tock Seng Hospital. Pearl's Hill was where our hospital was founded in 1844, out of one man's compassion and care for his fellow men. It marked the beginning of our founder, Mr Tan Tock Seng's extraordinary legacy to Singapore healthcare.

TTSH PEARL care philosophy, where we value our patient most, guides its suite of multidisciplinary specialist clinics and services on this journey with our patients.

We always pursue a high level of patient care and safety as we remain committed to adding years of healthy life to our patients.
