

9TH EDITION

SINGAPORE

PATIENT  **2023**
Action Awards[®]

TOGETHER FOR PATIENTS

AWARD CATEGORIES

1

SINGAPORE PATIENT CAREGIVER AWARD

This award honours the caregiver who has demonstrated strength, resilience and unwavering dedication in caring for another person who requires support in physical, mental and/or social well-being, amidst health and/or social care challenges. The caregiver takes on the role as an active care partner with the health and/or social care team, to overcome these hurdles with a positive and resilient attitude.

NOMINATE THEM HERE

The award winner will receive a specially designed award plaque and NTUC vouchers.

2

SINGAPORE PATIENT ADVOCATE AWARD

This award honours an individual who is very passionate about advocating meaningful causes and has contributed significantly to improving care delivery in partnership with the health and/or social care team/institution. Being personally involved in the care journey as a patient, a volunteer and/or a caregiver, this individual uses his/her personal experience to provide valuable learning for health and/or social care professionals.

NOMINATE THEM HERE

The award winner will receive a specially designed award plaque and NTUC vouchers.

3

SINGAPORE PATIENT SUPPORT GROUP / VOLUNTEER GROUP AWARD

This award honours an outstanding Patient Support Group or Volunteer Group that has led the way in helping others in need and has contributed significantly to improving health and/or social care delivery.

NOMINATE THEM HERE

The award winner will receive a specially designed award plaque and NTUC vouchers.

4

SINGAPORE PATIENT ENGAGEMENT INITIATIVE AWARD

This award recognizes an outstanding patient engagement project or initiative that is in collaboration with the health care team, intermediate and long-term care teams (ILTC) and/or social service agency; contributing to the improvement of care for patients and/or caregivers. Only projects or initiatives involving active participation from patients, caregivers and/or volunteers, together with the health and/or social care team may apply.

NOMINATE THEM HERE

The award winner will receive a specially designed award plaque and NTUC vouchers.

5

SINGAPORE COMMUNITY ENGAGEMENT INITIATIVE AWARD

This award honours the work of successful neighbourhood-based initiatives that have contributed significantly to the improvement of care and overall well-being of residents and the local community/neighbourhood.

NOMINATE THEM HERE

The award winner will receive a specially designed award plaque and NTUC vouchers.
