#### Terms and conditions:

- Medical advice and recommendation will be delivered based on case findings, clinical investigations, medical history and personal profile.
- The health screening doctor reserves all rights to amend/remove any health screening component should the doctor deem the health screener unsuitable to conduct the health screening test, based on clinical judgment.
- All investigations included in the health screening programme are strictly non-exchangeable, non-refundable and have no redeemable cash value. The health screener will forfeit any of the investigations should he/she choose not to use the service during the health screening.
- All prices listed are subject to prevailing GST and change without prior notice.
